A Fierce Discontent: The Rise and Fall of the Progressive Movement in America, 1870-1920, by Michael McGerr (2003) The upsurge in public awareness of economic inequality since the 2008 financial crisis has refocused attention on the Gilded Age and Progressive Era in American history, a period defined by wealth disparities that parallel our own. The problem with our search for historical analogies is that we often examine the past within the context of our individual assumptions, finding what ...
