Adaptogen Notes

Adaptogens: Herbs for Strength, Stamina, and Stress Relief...

Formerly known as rejuvenating herbs or tonics, adaptogens help the body to “adapt” to the many influences it encounters. They increase stamina and counter the normal effects of aging and thus are becoming important tools in sports medicine and in the prevention and treatment of chronic fatigue and other stress-related disorders. Winston and Maimes present the historical uses of these herbal remedies in India, Russia, China, and the Americas and explain how they work and why they are so ...
