After Dark (The 19th Year #1) by Emi Gayle Emi Gayle has written a unique paranormal romance/urban fantasy novel. I really enjoyed the characters, the story flows well and I found I had a hard time putting it down till I reached the end. Emi Gayle has done a fantastic job writing the first novel in the series, you know it 's good when a reader finishes the book and goes looking to see when the next book is coming out as I wanted more right away.

The 1260 days, or years, terminated in 1798. A quarter of a century earlier, persecution had almost wholly ceased. Between these two dates, according to the words of Christ, the sun was to be darkened. On the 19th of May, 1780, this prophecy was fulfilled. It was not an eclipse. Timothy Dwight says, "The 19th of May, 1780, was a remarkable dark day.
