Amphigorey Also is the third
volume of collected works by
Edward Gorey, featuring
seventeen tightly focused,
darkly humorous pieces. They
aren't in any thematic or
chronological sequence but
the tone of Gorey's work was
so consistent over almost
forty years of creativity
that this volume feels
excellently curated.

AMPHIGOREY ALSO is another compendium of Edward Gorey's stories in the form of pen-and-ink drawings with pithy captions. While it doesn't contain his most notorious book--THE GASHLYCRUMB TINIES in the first AMPHIGOREY, I found this to be the most consistent amusing of his three anthologies. The works here are of several different styles.

Edward Gorey (1925-2000) wrote and illustrated such popular books as *The Doubtful Guest*, *The Gashlycrumb Tinies*, and *The Headless Bust*. He was also a very successful set and costume designer, earning a Tony Award for his Broadway production of Edward Gorey's *Dracula*. Animated sequences

(Amphigorey, Amphigorey Too and this one) benefit from the warped wit of Gorey, but the size of the images is so small that it becomes difficult to make out the fine details. I like to read them to my kids (ages 9 and 12) but we have to be all scrunched together to make out the visuals.
