In An Acrobat of the Heart,
teacher-director-playwright
Stephen Wangh reveals how Jerzy
Grotowski's physical exercises can
open a pathway to the actor's inner
creativity. Drawing on Grotowski's
insights and on the work of
Stanislavski, Uta Hagen, and
others, Wangh bridges the gap
between rigorous physical training
and practical scene and character
technique.

The Acrobat of the Heart Video will bring to life the Grotowski-based training described in Stephen Wanh ' s book An Acrobat of the Heart. With detailed images of the physical exercises, documentary footage of students learning the work, and a special voice-over commentary track for teachers, it will be a valuable resource for performers who want to practice and apply the work, and for teachers and directors who want to share it with others.
