## By Steven Heller

In simple terms, art direction is the oversight of all the artistic aspects of a project. This can be a film project, a media project, or—for the purposes of this article—a design project. An art director's responsibilities will vary from various projects and companies But typically they can be responsible for:

aesthetic, dictated by a Production Designer and implemented by an Art Director, influences the final film as much as lighting, storylines, and dialogue. Why is this important to you?

## What is Art Direction and Production Design?

In fact, art direction is fairly straightforward. Defined as, “overseeing the artistic aspects of a film, publication, or other media production.”. Simply, an art director guides the artistic production of a project. An art director has an understanding of design and visual aesthetic.
