The Art of the Book. At a time when the notion of the book is challenged by the advent of the screen and computer, there are many extraordinary ways in which the book has been treated by leading artists of today and the recent past, where the artist has been the driving force in conception and design. The past 20 years have seen outstanding work by some of the most influential and respected artists of our time.

Books of the Art or The Art Trilogy is an incomplete trilogy of novels by Clive Barker, of which only the first two have been published. The first book, The Great and Secret Show, was first published in 1989 and was followed by the second book, Everville, in 1994. The third book has yet to be written and there is currently no schedule for its release. Of plans for the third book, Barker has stated that the book will be "a big book when it comes" and that he wants to write it with "as much feelin
