E-Book Control | The New York Public Library

On Feb. 27, the Senate approved legislation sponsored by state Sen. Zellnor Myrie that would allow the use of electronic poll books, called E-poll books, at polling sites. The E-poll books would replace the old paper books currently in use. The bill has been sent to the state Assembly for consideration.

State senate approves E-poll books at voting sites—The...

The term order book refers to an electronic list of buy and sell orders for a specific security or financial instrument organized by price level. An order book lists the number of shares being bid...

Order Book Definition

An order book is the list of orders (manual or electronic) that a trading venue (in particular stock exchanges) uses to record the interest of buyers and sellers in a particular financial instrument.A matching engine uses the book to determine which orders can be fully or partially executed.
