How to service a British Seagull outboard motor British Seagulls date to 1931, they made around 2000 a month at one time, so we may have about 100,000 out there now, does anyone know this? Note: one web site suggests a million made due to the war effort?

CKD Boats - Roy Mc Bride: How to service a British Seagull ...

The British Seagull engine (outboard motor) has been produced by England for more than seventy years. During that time the engine has gained a world-wide reputation for being hard working and very reliable. " The Classic British Seagull " offers many ' trade secrets ' and procedures that are not written in other repair manuals.
