and Lubricants on page 11-12.

Chevrolet Spark Owners Manual:  
Automatic Transmission Fluid  
You should check your car's transmission fluid at regular intervals, like you check your car's oil. Even if your car's service manual says to check it every 100,000 miles, you should check it at least every month or every other month. Most drivers don't feel the need to check the their fluids regularly.

### How to Check Your Automatic Transmission Fluid ...

Vehicles with a manual transmission are usually a little different than automatics, in the sense that some don't have a dipstick in the engine bay.

# Download Free Check Manual Transmission Fluid

Oftentimes, because of the way a manual transmission is designed, there is a plug to check the fluid underneath the vehicle.
