Psychology, 3rd edition is a decent introductory textbook. My main issue with the book is the frequent addition of asterisks* to define common words at the bottom of the page. The asterisks are somewhat insulting to the reader's intelligence, defining words like "marooned", "intact", "enticing", and "hostility".

Psychology (The Global and 4th edition) by Ciccarelli and Noland White is promoted as a learner-centred text. It states that it aims to awaken students ' curiosity regarding psychology as well as encourage and motivate their desire to learn through reading and engaging with the material. To all intents and purposes, it appears to be designed to achieve this. It is comprised of fifteen main ...
