## **Clear As The Moon Great And Terrible 6 Chris Stewart**

Clear Moon is the fifth studio album by Mount Eerie a solo project by American musician Phil Elverum. It was released on May 22, 2012 Elverum's own label, P.W. Elverum & Sun. The album was written and produced entirely by Elverum, who recorded it, at his studio the Unknown. Which had a lasting influence on the album's creation. Musically, Clear Moon sees Elverum depart from the distortion-heavy sound of his previous studio album, Wind's Poem in favour of a hypnotic, guitar and synthesizer based

Raise your phone and position it so that it facing towards the moon and you can see it on the screen. Next, you'll want to manipulate the camera and have it zoom in on the moon so that it fills as much of the screen as possible. The objective is to take a picture of the moon and not of the dark black sky surrounding it.
