Closing Entries Closing journal entries are made at the end of an accounting period to prepare temporary accounts for the next period. This is because temporary or nominal accounts, (also called income statement accounts), are measured periodically ; and so, the amounts in one accounting period should be closed or

~~Balance~~—YouTube

In accounting terms, these journal entries are termed as closing entries. The main purpose of these closing entries is to bring the temporary journal account balances to zero for the next accounting period, which keeps the accounts reconciled. As similar to all other journal entries, closing entries
