Cook It Raw

Cook It Raw was part chef congress, part competition,
and something else entirely: a cadre of the most
inventive chefs arriving at a remote destination and
left to their own devices. They forage for their
ingredients, prepare them in less-than-ideal locations,
and present them for critique by their peers; all
without the presence of cameras, patrons, or
audiences.

Cook It Raw co-founder Alessandro Porcelli has edited a book (Phaidon, \$49.95) of essays by the chefs, images of the inventive dishes they made from locally foraged or hunted ingredients, and remarks by the journalists fortunate enough to tag along to the remote corners of the world. This book will change the way you relate to food one dish at a time.

Cook It Raw is the one of the most highly lauded culinary gatherings in the world. Founder Alessandro Porcelli thinks of Cook It Raw as a collaboration among chefs bringing their ingredients to the most primal form of existence and to appreciate the art of each element. It is a great honor for a chef to be invited to this yearly conference held in a different location every year, and it all began in one of the trendiest food cities, Copenhagen.

In the second edition at Cook It Raw! Winter Was Hard, the focus sharpened and the full meaning of the term 'raw' — 'uncooked', but also 'strong, wild and primitive' — were tested. In the frigid month of January, the chefs were taken deep into the Collio hills, in the top corner of Italy's north-eastern Friuli Venezia Giulia region, on the border with Slovenia.
