zzzz. An ideal first text on communication systems in electrical engineering, Modern Digital and Analog Communication Systems is now in its fourth edition. Suggestions? Though other books from Haykin, Proakis, Couch, Stern, Zimmer, etc. modern digital and analog communication the amazon com. contact | Date / Edition Publication; 1. We have just one copy left with us so hurry up.  
Rights: World ...

modern digital and analog communication systems 5th ...  
Clearly, it took many human-years of study, effort, and work to produce the fifth edition of this book. While this is a critical review from a student's perspective, there is a great deal of knowledge to be gained from careful study of "Digital Communications". Hopefully some good will come out of my review by way of constructive feedback.
