Eat Right 4 Your Blood Type (Free) - Apps on Google Play

Sometimes referred to as the "blood type diet," the plan makes specific dietary recommendations based upon your blood type and urges followers to eat only foods that are harmonious with their own blood type. The diet was popularized by Peter D'Adamo, a naturopathic physician in the 1996 book Eat Right 4 Your Type.

Definition of Eat Right 4 Your Type Diet - MedicineNet

The underlying hypothesis of blood type diets is that people with different blood types digest lectins differently, and that if people eat food that is not compatible with their blood type, they will experience many health problems. On the other hand, if a person eats food that is compatible, they will be healthier.
