Need An Editor For Your Book? List of Professional Editors.

Editors often have experience as writers and might also work as writers themselves. However, they are primarily responsible for helping to improve others' writing. While proofreading is a part of being an editor, good editors also must:

Writer and Editor Job Description: Salary, Skills, & More

Editors assist with many stages of the writing process. Substantive—or developmental—editing focuses on the structure of an entire project to ensure cohesion and organization throughout. Copy editing ensures grammatical correctness, accurate spelling, proper language usage, clarity, and overall consistency in style.

2020 Average Freelance Editing Rates (with Price Factors)

Editing is the process of selecting and preparing written, photographic, visual, audible, or cinematic material used by a person or an entity to convey a message or information. The editing process can involve correction, condensation, organisation, and many other modifications performed with an intention of producing a correct, consistent, accurate and complete piece of work.

Editing - Wikipedia

Compiling this information is a headache (especially for math-averse writers like myself), but seeing every editor's rate as a per-word rate will help you better compare editors. Freelance editing rates: The hard numbers of editing. Now, let's talk actual rates.

Looking for a Book Editor? Here's How Much You Should ...

An in-house editor is employed by a publisher, and works with authors on a publisher's behalf to edit books prior to publication. They edit according to their own judgment but also to the publisher's standards. Any book acquired by a reputable publisher will be edited in-house.

Executive editors oversee assistant editors and generally have the final say about which stories are published and how those stories are covered. Executive editors typically hire writers, reporters, and other employees. They also plan budgets and negotiate contracts with freelance writers, who are sometimes called “stringers” in the news industry.
