Investing provides a highly disciplined and organized approach to profiting from energy investments. This potent combination of detailed, up-to-date information alongside expert know-how thoroughly prepares you to invest and trade with confidence in the energy market.

## ~~Energy Trading and Investing on Apple Books~~

Running an energy trading operation is a fascinating and usually very lucrative occupation. However, running an energy trading operation well can often be an inhuman task. This is due to a number of factors, primarily information asymmetry and the social dynamics of trading floors. Information asymmetry is
