2017. Subject:  
Engineering Drawing.  
Below are the  
solutions done in  
AutoCAD. Found a lot  
of mistakes in this  
paper. At places there  
was missing or  
insufficient data. More  
disturbing was the  
fact that the diagrams  
are so big that it's  
difficult to fit in the  
single sheet given.
