~~Learning English with English Clubs~~

An English Club is a place for language learners to use English in a casual setting. Practising your skills in the classroom is important, but it is not like real life. In the classroom, you often focus on one skill and one item (for example: grammar - future tense). After learning the rules your teacher gives you time to practise using the item.

~~How to Start an English Club | EnglishClub~~

How to organize an English speaking club A speaking club is fundamentally different from an English language course. The main characteristics of English conversation clubs are as follows: - The aim of a discussion club in English is development, first and foremost, of speaking skills and, to a lesser extent, of listening skills.

English is the most widely-spoken language in the world, having the distinct status of being the official language of multiple countries. While the English language is uniform with major variations in spelling present between American English and British English, the dialect or accent is usually the factor that enables one to distinguish the various types of English out there.
