An extended essay (EE) in economics provides students with an opportunity to:

- undertake in-depth research in economics in an area of personal interest to them
- develop research skills
- apply economic theory to real-world situations
- make inferences based on real-world data
- analyse and evaluate the outcomes of their research.

Each extended essay is assessed against a set of criteria. The criteria is very detailed and includes eleven different categories. The highest level in some of these categories are easier to attain than others. For instance every student should achieve the highest level in each of the following. Criteria G,H and I. It is extremely important that economic terminology is used and that definitions of key terms are provided.

~~Digging a Little Deeper~~

The Extended Essay (EE) is an independent, self-directed piece of research, culminating in a 4,000-word paper. Along with Theory of Knowledge (TOK) and CAS, the EE is an important component in the IB Core (Read more about the IB core here). Whichever subject you decide to do it on, it is equally as important to spend time on this, because failing to achieve the minimum grade is a failing condition, and you will not be able to receive your diploma.

The extended essay should be written in a clear, correct and formal academic style, appropriate to the subject from which the topic is drawn. Given that the extended essay is a formally written research paper, it should strive to maintain a professional, academic look. To help achieve this, the following formatting is required:
