Does the Kindle have a built in light? No. E-ink technology is different from an LCD screen, found on computers and smartphones. Because of this, you need an external light source to read the Kindle, just as you would with a traditional book. Will an e-book bought from Amazon be in the archive forever? Theoretically, yes.

Frequently Asked Kindle Questions - dummies

Technically you need to assign a unique number for every eBook edition: EPUB, Mobi (Kindle) and PDF are unique digital media formats, with unique capabilities. For example, PDF is great at displaying a replica of a printed page. It can have any type of font or layout. But an EPUB or Mobi file is reflowable text with a limited selection of fonts.
