Forgotten Continent: The Battle for Latin America's Soul ...

Al this makes Forgotten Continent a strangely relevant book, 10 years after it was first published. The subtitle, "the battle for Latin America's soul", refers to the threat that populism poses to the incipient and fragile democracies of Latin America.

Forgotten Continent: The Battle for
Latin America's Soul ...

Forgotten Continent: The Battle for
Latin America's Soul. Latin America
has often been condemned to failure.
Neither poor enough to evoke Africa's
moral crusade, nor as explosively
booming as India and China, it has
largely been overlooked by the West.
Yet this vast continent, home to half a
billion people, the world's largest
reserves of arable land, and 8.5
