Notice how the instructions between choosing manuals does not specifically mention the ReliaG 600. And the new and old manuals do not mention ReliaG or the model numbers listed in the instructions. And the models that are mentioned in the instructions do not have old and new manuals! It would be great to know how this documentation that seemingly has nothing in common fits together.

Owners Manual | Genie garage Door Openers | mgdor.com

The Genie GICT390 is a programmable transmitter designed to operate the company's automatic garage door openers. Small enough to fit on your key ring, it is available in one- and three- button versions for controlling one to three separate Genie Intellicode-capable openers manufactured in 1997 or later.
