Guidelines The RCOG produces guidelines as an aid to good clinical practice. Our guidelines present recognised methods and techniques for clinical practice, based on published evidence, for consideration by obstetricians/gynaecologists and other relevant health professionals. Find out more about the different types of guideline we publish.

Guidelines

NICE guidelines NICE guidelines are evidence-based recommendations for health and care in England. They set out the care and services suitable for most people with a specific condition or need, and people in particular circumstances or settings. Our guidelines help health and social care professionals to:
