In order to successfully answer inference questions, you must make sure you understand the question; Look for context to help if the lines/words mentioned in the question aren't enough; Answer the question in your own words before looking at the SAT's answer choices; Nail down other SAT Reading skills to help you with inference questions

Inference Questions on SAT Reading: 6 Strategies
For inference questions, you're normally required to do one of these four things: Identify a logical consequence of a statement or of two statements taken together Infer the intended meaning of a word that's used figuratively in the passage Determine the author's attitude toward the passage's topic ...

LSAT Reading Comprehension: How to Answer Inference ...
Deduction questions are the simplest type of inference questions, because they only ask you to fill in missing information. In some ways, they are very similar to detail questions, except the paraphrasing that you must do in order to answer them requires you to make a logical deduction. Here's an example of a deduction question:

Inference Questions in ACT Reading: Strategies + Practice
An inference question requires you to make logical assumptions and connections by using the information in the passage to come up with a new conclusion. In other words, an inference question asks you to pick up on information that is indirectly given, rather than being directly stated in the passage.

TOEFL Reading Question Type - Inference Question
Inference questions typically have two or three good answers. The best way to tackle these questions is to gradually eliminate the possible answers until you have one or two and then choose the last one by scope.

How to tackle Inference based questions - CetKing
To correctly answer the question, first you must read the question carefully. Then, you must find the key word in the sentence, before finding it in the paragraph. Read the sentence that contains the key word, and also read the sentences immediately before and after the key words.

Master the Inference Questions on the TOEFL iBT Reading ...
Mastering your inferencing skills is a great place to start because making inferences is an integral part of understanding what you're reading. Inferences, or evidence-based conclusions about a text, help to unlock meaning and clarify what's happening in a passage. Always using evidence to support your reasoning, start practicing making conclusions about a passage right away—your comprehension will improve dramatically as a result.

Make an Inference Practice Questions - ThoughtCo
How to Identify an Inference Question One crucial part of your studies is learning how to identify question types. Without knowing what you are asked to do, you can't be successful. Usually the question stem will have a word or phrase that will signal it's an inference question, like "infer," "imply," or "suggests."

How to answer the 4 mark inference question
In inference questions, any answer choice which repeats/ rephrases something from the passage is WRONG. Instead, the inference should be based on one of the lines from the given facts/reading comprehension. If the fact is 'I am happy', then the inference cannot be that 'I am not sad'. In other words, it is a restatement of the original statement.

Inference Definition |Questions and Examples - Hitbullseye
In the Reading section of the SAT and ACT, some of the trickiest questions occur when students are asked to make inferences about the content of a passage or an author's intent. These questions can be tricky because the student must use the text as a foundation from which to draw a conclusion.

How to make inferences (not assumptions) on the SAT/ACT ...
On standardized tests like the SAT, the answers to the rest of the questions can be found in order in the passage. 3. Underline topic sentences in the passage. Most tests allow you to write in your testing booklet. 4. Answer the question in your own words before looking at the answer choices. Then match your answer with an answer choice. 5. Cross out incorrect answer choices immediately to prevent confusion. 6.

How to Answer Reading Comprehension – tips to increase ...
There will also be 1 to 2 Principle questions per test that require an inference to be made. By asking for an answer that must be true based on the statements in the stimulus, the LSAT is asking you to make a valid deduction from those statements. A deduction, as defined on the LSAT, applies logic more rigorously than most real-life deductions.

LSAT Logical Reasoning: 5 Tips for Inferences - Kaplan ...
Inference questions are a little bit different. They ask you to identify conclusions that can be drawn based on the information in the text. You will take something that is directly stated, and you will use it to support another statement that was not directly made.
