Network marketing, also known as multilevel marketing, is an increasingly popular way to generate both passive and active income. This is because network marketing is a very flexible and dynamic business. Not to be confused with pyramid schemes (in which profit is often made from fees paid by people recruited into the network), network marketing allows you to make money by selling a product/service yourself or when someone in your network sells a product or service.

Selling network marketing is not about trying to get people in your downline so you can profit from them. No one wants to be sold on something. Doesn't have to be mlm, it can be a pair of jeans, a car, a vacation, a product. People don't buy things if they feel you're not doing it in their interest.
