short course International Investment Arbitration Substantive Principles

International Investment
Arbitration: Substantive
Principles is an important
step in this process. The
book provides a detailed
analytical survey of the
developing substantive
principles which are being
applied to disputes by
international investment
tribunals.

Acces PDF International Investment Arbitration

Investment is a field of public international law that primarily addresses the treatment of investment by States, and settlement of disputes between investors and States. The module comprehensively addresses international law of foreign investment protection. This field of international law is expressed in international treaties and customary law obligations and largely implemented through investor-State arbitration, disciplines and structures the manner in which ...
