International Marketing

International Marketing. Definition: The International Marketing is the application of marketing principles to satisfy the varied needs and wants of different people residing across the national borders. Simply, the International Marketing is to undertake the marketing activities in more than one nation. It is often called as Global Marketing, i.e. designing the marketing mix (viz. Product, price, place, promotion) worldwide and customizing it according to the preferences of different nation ...

International Marketing | What is International Marketing?

International marketing is simply the application of marketing principles to more than one country. However, there is a crossover between what is commonly expressed as international marketing and global marketing, which is a similar term. For the purposes of this lesson on international marketing and those that follow it, international marketing and global marketing are interchangeable.

---

What is International Marketing?

International Marketing is defined as the performance of business activities designed to plan, price, promote, and direct the flow of a company's goods and services to consumers or users in more than one nation for a profit. The only difference between the definitions of domestic marketing and international marketing is that in the latter case, marketing activities take place in more than one country.

---

International Marketing - Definition and Examples ...

International marketing is the application of marketing principles by industries in one or more than one country. It is possible for companies to conduct business in almost any country around the world, thanks to the advances in international marketing. In simple words, international marketing is trading of goods and services among different countries.
