I had that choice when I got my Exmark, I chose Kohler and have not regretted it. Since then I have acquired a John Deere with Kawasaki and find that to be a good engine too. I find the Kawasaki to be hard starting in the cold weather. If it needs to start in winter I would lean towards the Kohler.

17-Hp Kawasaki Engine for sale | In Stock | eBay

John Deere uses a Kawasaki engine on the premium line of lawn tractors. It is known for being a rugged engine with a long life span. This, however, does not mean it is indestructible; the fuel pump on the Kawasaki is a mechanical pump with a diaphragm. If the diaphragm becomes punctured, the pump must be replaced.
