Last night at the viper room  
is a compelling, level  
headed exploration of the  
short life and career of  
River Phoenix. The book does  
not shy away from examining  
many of the issues and  
challenges of young  
Hollywood in the 80s and 90s  
or the structures of Rivers  
childhood which were often  
nomadic and shrouded in  
secrecy and religious  
indoctrination.
