Lovemark for your branding *Love- Marks Book One- Book Trailer* **Lovemarks**

Lovemarks is a marketing concept that is intended to replace the idea of brands. The idea was first widely publicized in a book of the same name written by Kevin Roberts, CEO of the advertising agency Saatchi & Saatchi. In the book Roberts claims, "Brands are running out of juice". He considers that love is what is needed to rescue brands.

Love/Respect Axis - Kevin Roberts

I Call Them "Lovemarks" Today a few great brands run so far ahead of the pack that I call them something else entirely. I call them Lovemarks. They belong here, in the High Love Quadrant of my Love/Respect Axis. They build on respect, but they also make those crucial emotional connections. This is the ground where the future will be won and lost. This reflects the power shift to customers ...
