The theory of such people, stripped of dogmatic furbelows, is perfectly good Magic of its kind, its negroid kind. The idea is correct enough: matter is an illusion created by Will through mind, and consequently susceptible of alteration at the behest of its creator. But the practice has been lacking.

Magick in Theory and Practice - Chapter 14

Crowley coined the term magick to refer to the system of occult beliefs that he propounded and to distinguish them from traditional systems of magic. Crowley's most significant contributions to early 20th century occultism were the integration of Nietzschean thought along with principles derived from the budding science of psychology.
