Parent's Resources - Marshall Cavendish Education

The Biology Matters Workbook has much more extensive review questions than the textbook. At the end of each worksheet is a reference chart that tells you what section the questions are based on. This is helpful as some worksheets cover more than one chapter. You can also use the chart to assign questions after each section.

Biology Matters Workbook | Marshall Cavendish | 9789810117269

Science Matters comes from Marshall Cavendish Education and is intended for the high school crowd. This series covers three branches of science: biology, chemistry, and physics. Like other products from this publisher, there are several different components. The Teacher Planning Guide contains an overview of the curriculum and an outline of the resources and activities available.

Biology Matters Textbook | Marshall Cavendish | 9789810117238

Read PDF Biology Matters Workbook worksheets cover more than one chapter. You can also use the chart to assign questions after each section.
