The Mystery Of Time And Space is a popular online graphic adventure game created by Jan Albartus. The game was produced using Macromedia Flash and was an early influential example of the escape the room genre. There are 20 levels of varying length, some consisting of a single room and others consisting of a large network of rooms. Though advertised as a constant work-in-progress with "new levels coming soon," MOTAS has not been updated since May 2008. The game is currently available in 15 langua
