The meaning of the "Service Engine Soon" Light is dependent on the make and model of your car and the manufacturer's specifications. There are numerous dashboard indicator lights, and the particular indicator lights that are included on a dashboard are determined by the manufacturer.

What does the Service Engine Soon Light mean? ses (servic...

Service Engine Soon Light Meaning If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement.

Service Engine Soon Light [How to fix it?] Meaning & Causes

In an effort to help drivers, auto manufacturers use a service required light on the dashboard of cars. The computer counts how many miles you drive and at specific intervals will remind you to service the engine. Maintaining your car's engine carefully will keep it alive and running for the long haul.

What Does the Service Required Warning Light Mean ...

The yellow or orange "service engine soon" light may mean something is wrong with your anti-lock brake or safety restraint systems, there is a computer problem in your car or something is wrong with your emission system. A cap left off one of your fluid containers can cause the light to turn on, as can an overdue oil change.

What Does Service Engine Soon Mean? | It Still Runs

If you drive a vehicle made by General Motors from around 1999 on, it may have a "Service Vehicle Soon" warning light. It's different than the "Service Engine Soon" light or check engine light. The Service Vehicle Soon (SVS) warning light is part of a computerized monitoring system that's run by the body control module (BCM).

What the 'Service Vehicle Soon' Warning Light Means

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

What Does the Service Engine Soon Light Mean on a Nissan ...

The intended purpose of the "service engine soon" light is to warn the operator of the vehicle that a malfunction has been detected by sensors in the emissions system of the vehicle. There may be a major problem with the engine or one of its components, but it's usually a minor issue. First, Check Your Gas Cap
