What's Causing My Kaleidoscope Vision? - Healthline

My vision for Waltersmith is for our company to transition from oil into manufacturing. That is my long-term vision ultimately. It is not going to be one or the other. It is going to be both running concurrently, so we will have oil production activity and also be fully involved in manufacturing. When I talk about manufacturing, it is ...

My vision was about negative 15 in each eye, and I had severe astigmatism in both eyes as well. Over time, through high school and on into my twenties, after wearing hard lenses for 14 hours every day, I developed chronic dry eyes, redness, swollen eye lids, warped corneas, and experienced constant pain and discomfort every minute of the day.
