North is a collection of poems written by Seamus Heaney, who received the 1995 Nobel Prize in Literature. It was the first of his works that directly dealt with the Troubles in Northern Ireland, and it looks frequently to the past for images and symbols relevant to the violence and political unrest of that time. Heaney has been recorded reading this collection on the Seamus Heaney Collected Poems album. The collection is divided into two parts of which the first is more symbolic, dealing with th

Heaney, a Catholic by birth, was brave to challenge the strategy of violence being followed in the early 1970s (when this volume was written). His celebration of Gunnar, the Icelandic hero, who "lay beautiful inside his burial mound...and unavenged" (in 'Funeral Rites') was a brave response to the assassins on the Catholic side.
