There's a point to the observation (one that the writer had in mind even before beginning the observation). The essay then frames the observation in a narrative format. To help you see what I mean by this, I've included comments in both essays to highlight key sections, as well as each paper's strengths and weaknesses. For both observation essay examples, my commentary is below each paragraph. The specific text I'm discussing is notated with a bracket and a corresponding number [#].
