Strategic Operations
Management, 4 th
Edition, shows how
vital it is to have world-
class operations
management in any
organisation. In the
past, where
organisations tended
to be more

Download Free Operations

hierarchical than today, the words, "strategy" and "operations" were almost mutually exclusive. In today's highly competitive environment, though, strategic operations capabilities must be in place for organisations to provide goods and services that meet

Download Free Operations

and exceed customer requirements.
