Poverty Capital: Microfinance and the Making of ...

It sheds light on how powerful institutions control "capital," or circuits of profit and investment, as well as "truth," or authoritative knowledge about poverty. Such dominant practices are challenged by alternative paradigms of development, and the book details these as well. Using the case of microfinance, the book participates in a set of fierce debates about development - from the role of markets to the secrets of successful pro-poor institutions.

Poverty Capital: Microfinance and the Making of ...

Using the case of microfinance, the book participates in a set of fierce debates about development - from the role of markets to the secrets of successful pro-poor institutions. Based on many years of research in Washington D.C., Bangladesh, and the Middle East, Poverty Capital also grows out of the author's undergraduate teaching to thousands of students on the subject of global poverty and inequality.

Poverty Capital: Microfinance and the Making of ...

Ananya Roy's recent book, *Poverty Capital: Microfinance and the Making of Development*, brilliantly captures a growing global consensus about poverty, and a brave new world of ideas aiming to fulfill oft repeated declarations of "making poverty history." Roy, a professor of city and regional planning at Berkeley, traversed the world to find out what ideas unite and divide an eclectic anti-poverty movement, including Egypt, where grotesquely uneven development has now sparked an uprising.

Poverty Capitalism: Interview with Ananya Roy - FPIF

Microfinance, or the provision of small loans to the poor with the aim of lifting them out of poverty, is a key poverty reduction strategy that has spread rapidly and widely over the last 20
