The 6th edition of Principles of Marketing makes the road to learning and teaching marketing more effective, easier and more enjoyable than ever. Today's marketing is about creating customer value and building profitable customer relationships. With even more new Australian and international case studies, engaging real-world examples and up-to-date information, Principles of Marketing shows students how customer value—creating and capturing it—drives every effective marketing strategy.

Principles of Marketing - Gary Armstrong, Stewart Adam ...

Most business and marketing courses will recommend Kotler as essential reading. He has a very nice style and explains the fundamentals of marketing in this book and how marketing is applied within the business context. The latest version would obviously be more up to date but the principles have not changed that much since this edition.
