relationships with others. It's about our interactions with mom and dad while watching TV. It's about finding a meaning in life. It's racy. It deals in the intricate balance conformity and individuality.

10 Reasons Educators Should Read 'The Fault In Our Stars'

Everyone knows that it's better to read the book before you see a movie, not after. The Fault in Our Stars is coming to theatres this June and features the perfect Shailene Woodley and Ansel Elgort. While I am so excited for the movie, it is nice to read the book and get your own image of the characters before the movie ruins that for you.

## 7 Reasons to Read "the Fault in Our Stars"

The Fault in Our Stars stands out because it's an honest, funny book. It's a sensitive, dialogue-driven novel about teenage cancer, where both protagonists deal with death before most teens even graduate high school. Sometimes, it can be easier to just think of sad cancer movies as the only genre available to talk about terminal illness.

John Green dedicated *The Fault in Our Stars* (2012) to Esther, and in his introduction to this memoir, he notes that while he's proud of 'Fault's' success, "the one person I most want to read it never will." Featuring essays from friends, family, and doctors and curated by her parents, this collection—part autobiography, portfolio of her fiction and drawings, and photo album—is a touching eulogy, and it fulfills her dream to be an author.
