Background. For the first 200 years of  
United States history, the national policy  
was isolationism and non-interventionism.  
George Washington ' s farewell address is  
often cited as laying the foundation for a  
tradition of American non-interventionism:  
“ The great rule of conduct for us, in regard  
to foreign nations, is in extending our  
commercial relations, to have with them as  
little ...
