Compare and Contrast Short Stories. By fourth grade, most students are familiar with story elements such as setting, characters, and plot. In this lesson, students will compare and contrast the elements in two stories with similar themes. 4th grade.

4th Grade Lesson Plans | Education.com
As concepts and problems get tougher, some 4th graders might find themselves lagging behind. Revising old concepts and adding additional practice material in the lesson plans is, therefore, essential. While drafting the lesson plans for 4th graders, parents and teachers should also think about how they will present their material. Engaging the kids and encouraging their participation will help 4th graders understand and retain the content better.
