Snark: A Polemic in Seven Fits by David Denby

Snark attempts to steal someone's mojo, erase her cool, annihilate her effectiveness. In this sharp and witty polemic, New Yorker critic and bestselling author David Denby takes on the snarkers, naming the nine principles of snark -- the standard techniques its practitioners use to poison their arrows. Snarkers like to think they are deploying wit, but mostly they are exposing the seethe and snarl of an unhappy country, releasing bad feeling but little laughter.
