My Role: Co-Creator, VP, Creative Visual Director. Darkwatch was the first game developed internally at High Moon Studios. My duties included establishing the art style, as well as to help hire talent and develop the concept art, storyboard, cinematic and 3D art teams. I co-created the original concept for the game along with Chris Ulm, Emmanuel Valdez, and Paul O'Connor.

This is another image from the art of Darkwatch 2005 and exercises not only the horror theme but adds to the shanty feel from an old England style where people were punished in the public eye to stop others from committing the same crime. This gives it a sinister feel to include with the horror theme and again can be seen as stylized.
