The corset has been an indispensable article of clothing for several centuries in Europe, evolving as fashion trends have changed. Women, as well as some men, have used it to change the appearance of their bodies. The corset first became popular in sixteenth-century Europe, reaching the zenith of its popularity in the Victorian era. While the corset has typically been worn as an undergarment, it has occasionally been used as an outer-garment; corsets as outer-garments can be seen in the national
