Creative Economy | British Council

The creative industries refers to a range of economic activities which are concerned with the generation or exploitation of knowledge and information. They may variously also be referred to as the cultural industries (especially in Europe (Hesmondhalgh 2002, p. 14) or the creative economy (Howkins 2001), and most recently they have been denominated as the Orange Economy in Latin America and the Caribbean (Buitrago & Duque 2013). Howkins' creative economy comprises advertising, architecture, art,

Creative industries - Wikipedia

Dr Sarah Miller, chief executive officer of the Rediscovery Centre, explains: "Our current linear economic system, one based on unfettered consumption, is not a sustainable one.
