The Day We Met is about a man and woman who fall in love the first time their eyes meet; this is not an uncommon theme in romance books. What is uncommon with TDWM's approach is Maggy's and Conor's realistic panic, when they realize they're connected the moment they see each other.

"The sun shone bright the day we met you. They had called to say we would be your parents. How we hurried to get things ready!" This book, through its simple illustrations and short texts is able to get straight to the point. The texts tell a story of how excited the adoptive parents are when they first meet their child.
